

Foundation for an Independent Tomorrow (FIT)

A 501 (c) (3) qualified non-profit corporation
Tax ID # 88-0377684

Our mission is to help people get better jobs and build brighter futures for themselves and their families. We do this by providing individual mentoring, guiding clients to identify career options, and then providing the resources and support for education, training, and employment preparation to help them get a job in the field that they have targeted. FIT clients ultimately achieve financial stability through employment that pays enough to support their families without assistance. One hundred percent of your contribution to FIT will be used for direct program support.

FIT produces a positive, quantifiable annual economic impact on the community. Through the clients who graduated in Program Year 09-10 alone, the FIT program caused an annual aggregate economic impact of \$8,540,871 as a result of an increase in earnings of \$6,410,350 and a decrease in demand for public assistance of \$2,130,521.

Thank you for helping us build:
