notte di carnevale

Foundation for an Independent Tomorrow (FIT) hosted its 14th annual Notte di Carnevale at Caesars Palace honoring the beloved **Siegfried and Roy**. It was a fantastic night with more than 300 guests present in support of FIT's main cause: to get southern Nevadans back to work, one job at a time. The iconic performers were presented with the Civitas Laurel award, guests were entertained with live music, and a great dinner was enjoyed by the friends and sponsors of FIT.
