Ms. Janet Frasier Blumen  
Founder & CEO  
Foundation for an Independent Tomorrow  
1931 Stella Lake Drive  
Las Vegas, NV 89106

Dear Ms. Blumen:

The Department of Employment, Training and Rehabilitation (DETR) is pleased to support the Foundation for an Independent Tomorrow (FIT) application for grant funding from the U. S. Department of Labor. This proposed funding would support FIT's Self-Sufficiency Empowerment Program's Standards of Excellence.

During my administration, FIT has established a strong working relationship with DETR. The programs offered by FIT provide a framework for self-sufficiency for many low-income and unemployed families and empower them back into the workforce. The department recognizes the importance and community need of the services that are offered by FIT.

DETR looks forward to our continued relationship in serving Nevada's citizens.

Sincerely,

Larry Mosley  
Director
