Re: FIT Training Discount

Dear Ann Marie,

National Technical Institute (NTI) has been partnering with the Foundation for an Independent Tomorrow (FIT) since January of 2010 to provide affordable training in air conditioning, heating and refrigeration to FIT clients. We value the relationship we have built together and hope to continue this partnership in the future.

In recognition of our commitment to better serve the needs of FIT and its clients, NTI would like to offer the following discount on the cost of training. Every student that completes the eight class / 168 hour Advanced Refrigeration Program will receive a discount of \$125.00, which will make the total cost of training \$2,335.00 (this includes tuition and textbooks). We hope that this discount will give more FIT clients the ability to afford the cost of training.

We greatly appreciate the opportunity to work with your organization and look forward to a continued successful relationship.

If you have any questions please give me a call at 702-948-9000.

Sincerely,

A handwritten signature in cursive script that reads 'Cheri Rosenbaum'.
